REGISTRATION

Registration is now open for the OpenFabrics Alliance (OFA) Workshop 2017. Geared toward strengthening high performance networks end-to-end, the OFA Workshop fosters collaboration between OFA members, developers, and users. Attending software developers and distributors are joined by:

- Application end users
- Enterprise data center managers
- Network technology researchers
- Networking middleware developers
- Operating system vendors
- Storage vendors
- System & network administrators
- System OEMs, architects & integrators

To register, visit the Workshop event page [here](#).

Registration Rates	
Early Bird through February 13	\$595
Regular through March 26	\$695
On Site	\$695

SPONSORSHIPS

This year, OFA offers multi-tiered sponsorship opportunities for industry leaders. Packages are outlined below. If you are interested in sponsoring, please contact press@openfabrics.org with the following information:

- Contact Name, Email and Phone
- Affiliated Company/Organization
- Preferred Sponsorship Package

Sponsorship requests are due by **Wednesday, February 15, 2017**, and will be assigned in order of receipt. Additional package details can be found online at the [Workshop event page](#).
