## REGISTRATION

The annual OpenFabrics Alliance (OFA) Workshop is a premier means of fostering collaboration among those who develop fabrics, deploy fabrics, and create applications that rely on fabrics. It is the only event of its kind where fabric developers and users can discuss emerging fabric technologies, collaborate on future industry requirements, and address problems that exist today. Workshop participants include:

- Application developers & end users
- Communications middleware developers
- Network & storage vendors & researchers
- OS solutions developers
- Enterprise data center managers & architects
- System & network administrators
- System OEMs, architects & integrators
- Kernel developers & maintainers

To register, visit the [Workshop Event page](#).
